Job Description and Role Profile

TITLE: Children, Youth and Families Ministry Leader (with youth specialism)

HOURS: 12 hours per week

EMPLOYERS: Waypoint Church

RESPONSIBLE TO: The Trustees of Waypoint Church

REPORTING TO: Senior Leaders Jonathan and Jenny Mackwell

Introduction

Waypoint Church is a young, mission-focussed church in the coastal town of Berwick-Upon-Tweed. We are a community of passionate followers of God who are equipped by God's Word, empowered by God's Spirit and mobilised by God's love to bring Jesus and His kingdom to our families, networks and communities.

Waypoint Church began when our Senior Leaders moved to Berwick-Upon-Tweed in 2016. We started meeting publicly for Sunday Gatherings from 2017. About half of our church are people who have come to faith through contact with us. We are part of the Skylark and Pioneer Church Networks as well as Evangelical Alliance and Berwick Churches Together.

Children, youth and families are central to Waypoint's values, growth and relationships in the community. We gather on Sunday mornings, during which time we have three groups for children ages 0-14, which are run by dedicated teams of volunteers. The vision of our C.Y.F. Ministry is *that every local child and family has an opportunity to follow Jesus and be discipled in a church.*

We are a church focussed on evangelism and discipleship. We meet people and share God's love in the community through Alpha courses and ministry with children and families. From 2019-2022 we ran Little Lights toddler group, which connected us with over 100, 0-5's and their families. Since then, we visit Kiln Hill nursery where we share Bible stories and songs every 6 weeks. Through this and other ministries such as Youth Alpha, we are developing relationships with a wide variety of children and families who do not yet attend church. We also see families come to know Jesus and become part of Waypoint Church through C.Y.F ministry.

We believe discipleship is key for every member, no matter how young, and this is reflected in our emphasis on Bible teaching and life application for every age group. Every member is also part of an all-age Life Group, which meets for socials and supports each other pastorally.

We long to see children, youth and adults encounter God through His Holy Spirit. We love to draw close to Him through worship and look to Him for healing and restoration; physical, spiritual and

emotional. We believe every member has spiritual gifts that God wants to use to build His Church and share His love in the community, and encourage everyone; old and young alike, to serve as well as to receive.

Current Children, Youth and Families Ministry:

At present, Waypoint Church's volunteer teams run the following activities for children, youth and families:

- **Little Lights: (0-5's)-Led by the Little Lights Team Leader**

- Creche: (parent led) during Sunday gatherings. (Currently we have 3 babies age 0-13 months)

- Kiln Hill Nursery: a small team share Bible stories, songs and craft once every half term to 2-5 year olds. Plans are in place to grow the team and expand this ministry to other local nurseries/reception classes in schools.

- Growing Community: We meet with carers with under 5's from church, and others we know in the community to develop friendship, support, and explore parenting from a Biblical viewpoint.

- **WayKids Church: (2-10's) Jointly led by two WayKids Team Leaders**

- WayKids is our Sunday school for toddlers to 10 year olds. We have a talented team of church members who serve as leaders or helpers on a rota basis. Young leaders (aged 10-14) serve on team every other week. WayKids combines fun and friendship building with worship, Bible teaching, and connecting with God through the Holy Spirit. (Currently we have around 16 WayKids) WayKids invite friends from the community to semi regular socials and special events such as Pumpkin Party, Christmas party etc.

- **Youth: (10-14's) Led by the Youth Team Leader**

- Youth meet every other Sunday morning, and a small team of church members leads or helps on a rota basis. Youth aims to allow young people to grow supportive friendships and challenges them to deepen their relationship with God so that they are confident in their faith, and can be Christ followers in their families, networks and communities. When youth are not meeting, they are encouraged to develop their giftings and leadership skills by serving on teams such as worship, AV/PA or WayKids. Currently we have seven 10-14's. From November 2022-Feb 2023 we ran Youth Alpha in the centre of Berwick, and this attracted 17 young people age 10-19. Two of the newcomers continue in relationship with us.

- **Families: Led by the Families Team Leader**

-Families Connected WhatsApp group: for parents in church to share resources and support each other to grow as Christian parents. We currently have 17 church members who are parents.

-Parenting for Faith courses: We ran a course via zoom in 2023 and aim to start an in person course for parents of babies and toddlers in the community, in November 2023.

We have secured funding for a 12 hour per week Children, Youth and Families Ministry Leader to oversee, grow and develop this pioneering work over the next three years. We are seeking someone with specialism in working directly with 9-18 year olds. Our first priorities for C.Y.F ministry are:

-Youth (10-14's): Lead and develop team and improve content to better engage with and disciple youth during Sunday gatherings. Develop socials/gatherings for youth at other times during the week. Develop a culture of inviting for friends/other youth who are not yet in church.

-Immerse: Alongside other leaders and youth, shape content of Immerse nights to engage youth and their friends.

-Schools: Lead a team to share faith in schools (priority age 9-18) through assemblies, in classrooms or in small lunch time groups.

-Older Youth (14 +): Develop discipleship and mentoring in this age group.

Other areas of development for C.Y.F ministry, in collaboration with existing Team Leaders and Waypoint Church's Senior Leaders:

-Little Lights: Develop relationships in the community with carers and 0-5's. Expand current ministry into new nurseries/reception classes in schools. See more young families become Christians, join church, and develop Creche on Sundays.

-WayKids: Develop our contact with under 10's and their families in the community through WayKids socials and that these families would come to church. Continue to develop WayKids team and improve content; especially to engage boys more.

-Families: Develop a pastoral/prayer team to support families who may be struggling practically/spiritually/emotionally to see healing and restoration in families. Continue to strengthen the ministry we've started to empower parents as leaders in their own homes and to raise our children healthily in God's ways.
